MAKE YOUR HEROES

Towards Inspiring next-generation scientists

A Virtual Network of Indians (AVNI)®

An Initiative of **Tech Counsellor** Group.

Renu Thapliyal, is an entrepreneur, mathematician, founding director of Tech Counsellor and mother of a young budding baby girl 'Avantika'. She believes the cognitive development of minds of kids happens from day one and kids can't be forced to learn, but they are the mirror image of our day to day activities.

Er. Ajit K. Yadav, a researcher and academician by profession, proud father of Preet, his 8-year-old daughter. He is working on developing the educational course modules for the next-generation scientist through his initiative Ramanujan Academy. His work on NASA-ISRO Synthetic Aperture Radar project was acknowledged and awarded as top 3 best paper at National Conference (Virtual) organised by SAC, ISRO in 2020.
